### AGM : Items of Interest

For the past few years the 'items of interest' after the formal AGM proceedings have proved just that. It is greatly to be hoped that we can keep up the standard!

What can I bring along?   **Anything with a bit of a story or historical interest ( local or otherwise).**

### **'Tracing Your Down Ancestors'**

This volume from the Ulster Historical Foundation is due in September. It will be invaluable for genealogists.

Worth looking out for.

## **Super 8 Stories**

The BBC is looking for home movies using original Super 8 / Standard 8 film in colour (preferably) for their new series.

The era they are interested in is from the 1930's to the early 80's – topics like the Big Freeze of 1963, weddings, holidays and everyday events.
