The Lecale & Downe Historical Society is one of
the larger, longer established and most
consistently active local historical societies in
Ulster. Originally two separate societies,
The Downe Society (est. 1948) and
The Lecale Historical Society (est. 1974)
amalgamated in 2009.

The Society has organised events both to inform
members and to encourage more general interest in
the heritage of Lecale and County Down. Since
1983 an annual journal has been published. The
Society has charitable status. It aims to assist the
community by promoting the study of history and
the environment.
